Poultry

Product Catalogue

Specialised in chicken

Pure Poultry is a brand of KappersFoods and focuses entirely on chicken products. Our years of experience and global expertise ensure that we select and supply only the best products. We understand the dynamics of food service and respond to the need for high-quality, tasty and versatile chicken products.

Pure Taste • Pure Quality • Pure Poultry

Roasted Chicken

Our Roasted chicken products contain a minimum of ingredients and are always made with real chicken breast fillets. The products are fully cooked and roasted to give them that extra flavour and a nice golden brown appearance.

Fried Chicken

Our Fried chicken products are fully cooked and flash fried to give a great taste experience. Made only with chicken breast fillet, you get great quality products served with ease.

Breaded Chicken

Our Breaded chicken range consists of various sizes, styles and coatings. All made with chicken breast fillet. For any flavour we have the right product. Explore further to see our broad product range.
